

Goods In Operative

Norbar Torque Tools Ltd., the world leading torque tool manufacturer has a vacancy for an individual to join our Goods In team.

This is a dual role involving firstly receiving and unloading goods delivered to the company and being responsible for the movement of goods and finished products throughout all departments. The second part of the role, expected to be performed on a rota on a regular basis will be to drive the company commercial vans (3,500 kg) in the UK, delivering or collecting parts from subcontractors, observing health and safety codes of practice at all times.

Previous material handling experience in a similar environment is essential together with a full clean driving licence. A forklift licence would be a distinct advantage but is not essential.

In return for a 38½ hour week, we can offer an hourly rate of £11.70.

Norbar also offers a non-guaranteed profit related bonus, contributory pension scheme, life assurance and an award winning restaurant.

Closing date for applications: Friday 4th February 2022.

Please note that a rate of £11.12 per hour will be paid during the initial training period (approximately 2 months).

We reserve the right to interview and appoint before the closing date
